

BROWN-BARGE MIDDLE SCHOOL

201 Hancock Ln. Pensacola, FL 32503 (850) 494-5640

Dear Parents,

As a sixth-grader at **Brown-Barge Middle School**, your child finally has the opportunity to do what so many successful students have done before them – **Be Part of the Music!**

We are trying to get back to our routines and Band is a great way to introduce normalcy back into our lives. Unlike many other electives, music is one in which you need other people in order to be successful. The teamwork, focus, and dedication learned in Band are skills that your child will utilize in every aspect of his or her life.

Since Band is offered as a class during the regular school day, your child will still have every opportunity to take part in any other activity they want! In addition, **Absolutely No Musical Experience Is Necessary!** With all of the big changes entailed by the transition into middle school, Band is a quick and fun way to make friends and have successes to celebrate, all while learning a new language -- MUSIC!

INSTRUMENT SELECTION AND REGISTRATION

Parents and Students

The seven instruments offered in Beginning Band are **Flute, Clarinet, Alto Sax, Trumpet, Trombone, Baritone Horn, and Percussion**. Flute, clarinet, and trumpet typically carry melodies, while alto sax and French horn offer support to those melodies, and trombone and baritone provide the foundation for all of the band sound. Percussion consists of both drums and keyboard-style instruments to help keep the tempo of the group. *Instruments are on a first come, first-served basis.*

In order to allow you a head-start on selecting and reserving an instrument, **Schmidt's Music** is offering a personal, CDC-compliant selection process (one student and parent per room, sanitizer, option of masks, etc.) for your child in their store.

Brown-Barge Middle School Beginning Band Sign-Up

To enroll, select "band" on your preference sheet

Call Schmidt's Music to make an instrument selection appointment

(850) 434-0317

Participating in Band is not as expensive as you might expect. Class lessons are free of charge, and are provided during regular school hours. Local music stores offer special Rent-to-Own programs, which allow you to make affordable monthly payments toward the purchase of the instrument, but also allow return and exchange options as well, making Band a safe and wise investment in your child's future.

For your convenience, new and used instruments will be available for you to reserve at the time of selection. All interested students are encouraged to sign up for Band, regardless of musical background. Please see the enclosed information regarding other commonly asked questions.

Sincerely,

Angela Nass
