## **Important CLT Testing Opportunity – Act Now Before Graduation Requirements Increase**

Dear Families,

Escambia High School will be offering the **Classical Learning Test (CLT)** twice this summer for students who have not yet met one or both of their **reading and math graduation requirements**.

We want to make you aware of an important change: **The State of Florida has increased the passing score requirements for the CLT** starting with the 2025–2026 school year. However, students who take the CLT on **June 18** and/or **July 17, 2025**, will still be able to qualify under the **current, lower score requirements**.

**This is a major opportunity to meet graduation testing requirements more easily** before the new, higher standards take effect. Because of this, we strongly encourage students who are missing either or both requirements to register for **both testing dates** to maximize their chances of success.

### **CLT Summer Testing Dates**

**Date:** Wednesday, June 18, 2025

**Location:** EHS Innovation Center

**Check-in:** Promptly at 8:30 AM

**Pick-up:** 11:15 AM

**Date:** Thursday, July 17, 2025

**Location:** EHS Innovation Center

**Check-in:** Promptly at 8:30 AM

**Pick-up:** 11:15 AM

- ***Students must sign up using their student email to reserve a seat.***
- *Please use the QR code below to register for the CLT exam.*

We appreciate your attention to this opportunity and encourage all eligible students to take full advantage of these summer testing dates.
