High school courses are offered to students based upon the number of students requesting the course and the number of teachers assigned to Tate High School. Sometimes courses are eliminated from the Master Schedule due to lack of requests for that course. Therefore, all students must select 3 alternate courses. If a course is not offered, the guidance counselors will assign an alternative elective to your schedule. Do not use courses that you have already chosen.

Notes:

Students must have an approved application to enroll in an academy class.
