BIDDER QUESTION#1: I am writing about line item 17 and 18 on bid number 171002, I believe our items below have been added to the wrong item on the bid. These are all three Fruit Snacks and the Fruit snack is line 17 however our items were placed as approved on line item number 18 which is a "Fruit Pearl" which is a frozen item and packed in cups...

Anyway to fix this so we can bid accordingly?
