A good night's sleep is important for you to prepare for a day of school or activities. School-aged children should get at least 10 hours of sleep each night. A consistent schedule can help kids fall asleep easier and stay asleep, too. Try to create a nightly routine for yourself that will allow your body and brain to get the rest that it needs.

Escambia County School District hosts a Fishing Rodeo annually to raise money for the Backpack Food Program. They have an art contest each year for their T-shirt design. The top three designers win prizes including a new fishing pole! Let's go fishing for a great cause!

Congratulations, Ekaterina Kaplunov 3rd place winner!!
