#### ***Keep copies for your records of all documentation.***

I understand that this proposal to participate in community service is entirely voluntary on my part and that the completion of documented community service related to this proposal can be used to satisfy the community service requirement of the Florida Academic Scholarship, Florida Medallion Scholarship and Gold Seal Vocational Scholars Award. Selection of the organization, services performed, and documentation are the responsibility of the student. Signature of the Community Service Contact indicates that the student has presented an appropriate social issue for meeting the community service requirement of the Bright Futures Scholarship Program. **All community service hour documentation MUST be submitted by the school's graduation date. Any community service hours submitted after the graduation date even if earned prior to graduation will not be accepted. No exceptions.** A parent/guardian cannot represent as a service agency.
