

Mental Health Services Referral Flow Chart

Student Requests

Parent/Guardian Requests
(NOT an automatic Tier III referral)

Faculty/Staff Requests

SCHOOL COUNSELORS

(Breakups, loss, discouragement about grades, family or peer conflict, vocational, adjustment issues)

School counselors will attempt to **RESOLVE** the student's concern. If unable to resolve, refer the student to the Mental Health counselor for assessment

MENTAL HEALTH COUNSELING

- School counselor attempted to resolve
- Suspects DSM diagnosis
- Subjective distress (student can identify and work towards change/growth)
- Not better addressed with behavior modification/discipline

If you feel a student is experiencing a crisis (i.e. suicidal ideation, panic symptoms, loss of reality), notify the administrative office ASAP.
