I. GENERAL TERMS AND CONDITIONS

NOTE: The term "Responder" as used within this Request For Proposal (RFP) refers to the person, company or organization responding to this RFP. The Responder is responsible for understanding and complying with the terms and conditions herein.

- A. **GENERAL:** Upon an RFP award, the terms and conditions of this RFP or any portion thereof, may upon mutual agreement of the parties be extended for an additional term(s) or for additional quantities (all original terms and conditions will remain in effect). Subject to the mutual consent of the parties, the pricing, terms and conditions of this RFP, for the products or services specified herein, may be extended to other municipal, city or county government agencies, school boards, community or junior colleges, or state universities within the State of Florida.
- B. **RFP OPENING AND FORM:** Proposal openings will be public on the date and time specified on the Proposal Acknowledgement form. All proposals received after the time indicated will be rejected as non-responsive and retained by the District. The public opening will acknowledge receipt of the Proposals only; details concerning pricing or the offering will not be announced. All proposals submitted will become public record upon an announcement of a recommended award or thirty (30) days after the opening date whichever occurs first. To protect any confidential information contained in their Proposal, companies must invoke the exemptions to disclosure provided by law in response to the RFP, and must identify the data and other material to be protected, and must state the reasons why such exclusion from public disclosure is necessary.
- C. **WARRANTY:** All goods and services furnished by the Responder(s), relating to and pursuant to this RFP will be warranted to meet or exceed the Specifications contained herein. In the event of breach, the Responder(s) will take all necessary action, at Responder's expense, to correct such breach in the most expeditious manner possible.

- I. **STOP WORK ORDER:** The District may at any time by written notice to the Responder stop all or any part of the work for this RFP award. Upon receiving such notice, the Responder(s) will take all reasonable steps to minimize additional costs during the period of work stoppage. 4. Except as it relates to any warranty provision established by this Agreement, and in addition to any and all rights by the parties in law or equity, the Responder may only terminate this Agreement upon mutual agreement between the Responder and the District following a sixty (60) days written notice submitted to the Purchasing Agent listed on page 1. The District may unilaterally terminate this Agreement or subsequent renewals in writing at any time. In the event of termination, either the Responder: (a) will be responsible for the delivery of all equipment for orders received up to the date of termination, or (b) may be mutually canceled without penalty upon agreement by the parties. The District will be responsible for payment of all goods, materials, and services ordered, received and accepted prior to termination. All warranty provisions as it relates to services/parts purchased during this Agreement will survive any termination between the parties regardless of cause and the supplier agrees to be obligated to continue to provide warranty repair service when and where needed as if no termination has occurred.

5. No work shall begin without first receiving either a Purchase Order for the specific job or receiving prior authorization to bill the work from the Contract Performance point of contact. In the event a Purchasing Card is used, not additional fees may be charged.

6. Responder(s) must be certified E-rate provider(s), shall have a "Service Provider Information Number" (SPIN) from the Schools and Libraries Division of the Universal Service Administrative Company and be responsible for complying with all rules and regulations of the E-rate program. This certification must be maintained throughout the term of the Agreement. Evidence of Responder's certification and annual re-certification by the Federal Communication Commission/Schools and Library Division ("FCC/SLD") must be provided no later than thirty (30) calendar days following the start or renewal of an Agreement term. Failure of Responder to maintain this certification, re-certify annually, or have certification revoked by FCC/SLD shall constitute a material breach and be subject to immediate termination at the discretion of the District. Further, Responder shall reimburse the District for the full amount of any and all invoices resulting from the services provided by Responder under prior or current agreement terms that do not get approval for reimbursement by the FCC/SLD because of Responder's lack of certification, failure to re-certify or revocation of certification, as required by the FCC/SLD.

7. During the course of the Agreement, including renewals, should the District encounter performance issues in the execution of this RFP, the District will begin documenting information concerning those instances. After three (3) instances are recorded within an Agreement Term, a meeting will occur involving representative from the Responder in question, the Purchasing Department and the Information Technology Department to address. If performance does not improve in accordance with the established benchmarks from the joint meeting, the District reserves the right to terminate the Agreement. Should an instance be of such severity that the District has reasonable concern for the safety or viability of the operational ability, then the District reserves the right to request an immediate meeting to address the issue without waiting for three (3) documented records.

8. Responder agrees to hold pricing and proposal terms following award through the issuance of Funding Commitment Decision Letters ("FCDL") by USAC. In the event that the District does not receive a positive funding commitment letter through initial submission or following an appeal or that the funding for this request is discontinued, the District will have sole and exclusive right to revoke the award or proceed in advance of a positive FCDL. In the event that the District wishes to proceed with the goods and services with an alternate payment source, the Responder and District will negotiate any changes separately.

R. **DEFINITIONS:** For the purposes of this Request for Proposal (RFP) and future renewals, the following definitions apply:

1. **Data Communications:** Data communications is a designation referring to any stand-alone or bundled equipment, systems, or services (including but not limited to: all cable types; wireless and hardwired electronics; transport and monitoring protocols; operating systems; miscellaneous components, materials, and supplies; and certified personnel) that facilitate and/or maintain the capacity to transfer data, voice, or video over the District's LAN's, MAN, closed Circuits, and Telephony networks.

III. PREPARATION AND SUBMISSION REQUIREMENTS

It is the practice of the District to evaluate all RFP's in an open public forum pursuant to Florida Statute 286.011 and to make available for public inspection and copying any information received in response to an RFP, in accordance with Florida Statute Chapter 119, as such any information sent to the District is being sent into the public domain. No action on the part of the Responder(s) would create an obligation of confidentiality on the part of the District, including but not limited to, making a reference in the proposal to the trade secret statutes, Florida Statutes 812.081, 815.045. It is recommended that potential Responders exclude from their response any information that, in their judgment, may be considered a trade secret.

IV. EVALUATION AND AWARD

Points will be awarded based on the responses in each proposal received. Lack of a response for any item may receive (0) zero points for that item. All attachments must be clearly marked and reference the appropriate item. Additional information may be submitted by the Responder, however, the evaluation committee will be solely responsible for determining the weight, if any, such information will be assigned.

PROPOSAL EVALUATION PROCESS:

- a) Proposals are received and publicly opened. Only names of Responders are read at this time.
- b) An Evaluation Committee will review, convene and evaluate all proposals submitted based on the factors set forth in the RFP. Purchasing personnel will participate in an administrative and advisory capacity only. The District reserves the right to waive any irregularities and technicalities.
- c) The Evaluation Committee reserves the right to interview any or all Responders and to require a formal presentation with the key people who will administer and be assigned to work on the RFP before recommendation of award. This interview is to be based upon the written proposal received. The District will not be liable for any costs incurred by the Responder in connection with such interviews (i.e., travel, accommodations, etc.). The District also has the right to require Responders to submit additional evidence of qualifications or any other information the District may deem necessary. Such information will not materially change the original proposal response nor serve to allow the addition of new information that was not originally expressed or referenced.
- d) All proposals will be evaluated in accordance with the evaluation criteria specified in this document. Information derived by investigation and overall due diligence of District staff will be considered. Based on the proposals received, the District may elect to proceed based on any of the following options, but will not necessarily be limited only to these options: (1) award to the best initial proposal without any further discussion or negotiation; (2) negotiate with the highest ranked Responder; or, (3) allow the top ranked Responders to make oral presentations.
- e) The District reserves the right to negotiate out unacceptable clauses or restrictions incorporated within an otherwise acceptable proposal. In the event that a mutually acceptable Agreement between the District and the selected Responder(s) cannot be successfully negotiated and executed, then the District reserves the right to discontinue negotiations with such Responder(s) and to negotiate and execute a contract with the next-ranked Responder(s).
- f) The District reserves all rights, in its sole discretion, not to issue an award to any Responder, to cancel this RFP at any time, to reissue this RFP for any reason, or a combination of any or all of the above. The District will not be liable to any Responder for any costs incurred in connection with this RFP as a result of any of the above stated actions taken by the District.
- g) The Purchasing Department will prepare and submit a recommendation agenda item to the Director of Purchasing or Superintendent of Schools, Escambia County, Florida. If a recommendation is made to the Superintendent, he will then recommend the award to the School Board. The School Board will then approve or reject the recommendation.

Certification Regarding Debarment, Suspension, Ineligibility and
Voluntary Exclusion - Lower Tier Covered Transactions

This certification is required by the Department of Education regulations implementing Executive Order 12549, Debarment and Suspension, 34 CFR Part 85, for all lower tier transactions meeting the threshold and tier requirements stated at Section 85.110.

Instructions for Certification

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant will provide immediate written notice to the person to whom this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.
5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it will not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion-Lower Tier Covered Transactions," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.
8. Nothing contained in the foregoing will be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

Certification

(1) The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

(2) Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant will attach an explanation to this proposal.

Established procedures for processing tie proposals will be followed if none of the tied Responders have a drug-free workplace program. In order to have a drug-free workplace program, a business will:
