In the event of a price extension error, the unit price will be accepted as correct. The School District has sole discretion in determining testing and evaluation methods. The School District may consider in conjunction to any award hereunder, those products, services and, prices available to them through contracts from state, federal, and local government agencies or other school districts within the State of Florida or approved purchasing cooperatives.

- V. **CLARIFICATIONS AND INTERPRETATIONS:** The School District reserves the right to allow for clarification of questionable entries, and for the Bidder to withdraw items with obvious mistakes. Any ambiguities or inconsistencies shall be brought to the attention of the designated Purchasing Agent in writing at least seven workdays prior to the opening date of the Bid. Failure to do so, on the part of the Bidder will constitute an acceptance by the Bidder of consequent decision. An addendum to the ITB shall be issued and posted for those interpretations that may affect the eventual outcome of this Bid. It is the Bidder's responsibility to assure the receipt of all addendum issued. No person is authorized to give oral interpretations of, or make oral changes to the Bid. Bid tabulations, recommendations or notices will not be automatically mailed.

- X. **CONTACT:** All questions for additional information regarding this Bid **must be directed to the designated Purchasing Agent noted on page one (1)**. Prospective Bidders shall not contact any member of the Escambia County School Board, Superintendent, or staff regarding this Bid prior to posting of the final tabulation and award recommendation on the website and in the Purchasing Office. - Y. **BID PREPARATION COSTS:** Neither the School District nor its representatives shall be liable for any expenses incurred in connection with the preparation of a response to this Bid.

- Z. **AGREEMENT FORM:** All subsequent agreements as a result of an award hereunder, shall incorporate all terms, conditions and specifications contained herein, and in response hereto, unless mutually amended in writing.

- C. **SAMPLES:** If offering a brand and/or product **OTHER THAN AS SPECIFIED. A SAMPLE SPECIFICATION SHEET WITH DETAILED SPECIFICATIONS AND COLOR PICTURES IS REQUIRED WITH YOUR SUBMISSION.** Attach the sample specification sheet at the end of this Bid document. Sample specification sheets should include the full manufacturer's warranty and product(s)/order number(s).
- D. **PRICING:** It is the Bidder's responsibility to ensure that the pricing listed in the Bid will be the pricing for the **entire** Bid period.
- E. **ALTERNATE BID:** Since new products may have been manufactured, no Bidder is prevented from submitting a Bid on a different type and size of container and/or number of units in a shipping case, unless the packaging specified is no longer available commercially. The School District shall have sole discretion in accepting or rejecting any alternate product(s) Bid.
- F. **ALTERNATE PRODUCTS:** Offering any product not listed as approved in this document is an alternate bid. Bidders may bid an equivalent product instead of the items already approved for only those items specified that we are accepting alternates for. An alternate product will only be accepted if a sample spec sheet is provided to the District in the time and manner stated within this document. The District shall have sole discretion in accepting or rejecting a Bidder's alternate product. If approved, the alternate product bid for that item will be added to the approved product list and will be accepted for potential award for this and future solicitations.
- G. **BID QUANTITIES:** Quantities listed in the Bid are estimates provided for Bidder information purposes only. No guarantee is given or implied as to the exact quantities that will be purchased from this Bid. The District reserves the right to increase or decrease all estimated quantities during the term of this contract or to delete any item or items as it deems appropriate, without affecting the Bid pricing or the terms and conditions of the Bid.
- H. **MINIMUM DOLLAR/ORDER QUANTITY REQUIREMENTS:** The District will not accept any minimum order quantity requirements or minimum order dollar amounts.
- I. **BIDDER'S CLERICAL ERRORS:** The Purchasing Agent will correct clerical errors if the errors are evident on the face of the Bid or other documents submitted with the Bid. A clerical error is an error by the Bidder in transcribing its offer. Examples include typographical mistakes, errors in extending unit prices, transposition errors, arithmetical errors, instances in which the intended correct unit or amount is evident by simple arithmetic calculations (for example a missing unit price may be established by dividing the total price for the units by the quantity of units for that item, or a missing or incorrect total price for an item may be established by multiplying the unit price by the quantity when those figures are available in the Bid.) Unit prices shall prevail over extended prices in the event of a

discrepancy between extended prices and unit prices.

- J. **DISCONTINUED ITEMS:** In the event the manufacturer/supplier replaces the specified products with a new product after Bid award, the Bidder will notify the Purchasing Agent indicated on page one (1) in writing. The Bidder will apprise the District of product replacement options at the contract price, and/or any cost reduction available for the specified product(s). The School District reserves the right to authorize such product replacement and/or cost reduction on any specified product(s).
- K. **SUBSTITUTIONS:** Only those items Bid shall be shipped and accepted. In the event that an item is discontinued by the manufacturer, the Bidder may not substitute an equivalent item without first submitting specifications with any deviations to the original specifications noted. If the District so desires, a sample may be requested. Substitute products replacing a product awarded must be offered at the same price or lower than the discontinued product. Such pricing will remain in effect for the balance of the Bid term. A new model that directly replaces a discontinued model is not considered a substitution under this paragraph.
- L. **DELIVERY:** Delivery of goods shall be to schools in Escambia County, Florida. The addresses and phone numbers of the schools will be disclosed upon the release of the District's Purchase Order or payment made by District Visa Credit Card. All shipments/deliveries must be received and signed for by the School's Band Director or his designee. Delivery appointments must be made at least twenty- four (24) hours in advance by calling the schools' phone number.
- M. **CONDITION OF PRODUCT AT TIME OF DELIVERY:** Bidders shall ensure that merchandise is shipped to and received by the District in good condition and that all items meet bid specifications, quality, and appropriately ordered quantity. If an item is received by a Band Director that does not exactly meet specifications, the Band Director will either refuse shipment at delivery or issue a pickup notice to the Bidder. Any item requiring Bidder's pickup because it does not meet the bid specifications will be picked up by the Bidder at the Bidder's expense. No shipping charges or restocking fees shall be charged to the School District. If Bidder indicates that specifications are being met, but delivers inferior products, or indicates, after the bid award, that the price must go up, the Bidder's entire bid may be terminated and awarded to the next lowest Bidder and/or the Bidder may be prohibited from doing business with the School District for a period not to exceed two (2) years.
- N. **DELIVERY TIME:** It is anticipated that all products Bid are in-stock and available for immediate delivery. Please state your normal delivery time after receipt of order on page forty one (41). The District recognizes that certain items Bid may have a longer lead time. Bidder shall indicate those items which have a lead time in excess of ten (10) days. - P. **PAYMENT METHODS:** The method of payment will be at the District's sole discretion using either of the following methods:
1. By warrant (check)
 2. By "P-card", the District's Visa credit card

The pricing submitted by the Bidder and accepted by the District is inclusive of any applicable payment terms and all fees incurred by the Bidder through their financial institution for accepting the above payment methods. No additional fees or charges to the District shall apply, unless otherwise preapproved by the District.

- Q. **BACKGROUND SCREENING REQUIREMENTS:** Bidder will comply with all requirements of Sections 1012.32 and 1012.465, Florida Statutes, by certifying that the Bidder and all of its employees who

provide services under this contract have completed the background screening required by the referenced statutes and meet the standards established by the statutes. This certification will be provided to the school in advance of the Bidder providing any services on campus while students are present. The Bidder will bear the cost of acquiring the background screening required by Section 1012.32, Florida Statutes, and any fee imposed by the Florida Department of Law Enforcement to maintain the fingerprints provided with respect to Bidder and its employees. The Bidder will follow the procedures for obtaining employee background screening as outlined on the Escambia County School District Website: <http://ecsd-fl.schoolloop.com>. Bidder will provide school a list of its employees who have completed background screening as required by the referenced statutes and meet the statutory requirements. Bidder will update these lists in the event that any employee listed fails to meet the statutory standards or new employees who have completed the background check and meet standards are added. The parties agree that in the event that Bidder fails to perform any of the duties described in this paragraph, this will constitute a material breach of the contract entitling school to terminate immediately with no further responsibility to make payment or perform any other duties under this contract. Bidder agrees to indemnify and hold harmless school, its officers, and employees from any liability in the form of physical injury, death, or property damage resulting from Bidder's failure to comply with the requirements of this paragraph or Sections 1012.32 and 1012.465, Florida Statutes.

DRUG FREE WORKPLACE

Preference shall be given to businesses with drug-free workplace programs. Whenever two or more Bids which are equal with respect to price, quality, and service are received by the State or by any political subdivision for the procurement of commodities or contractual services, a Bid received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process.

Established procedures for processing tie Bids will be followed if none of the tied vendors have a drug-free workplace program. In order to have a drug-free workplace program, a business shall:

- 1) Publish a statement notifying employees that the unlawful manufacture distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.
- 2) Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.
- 3) Give each employee engaged in providing the commodities or contractual services that are under Bid a copy of the statement specified in subsection (1).
- 4) In the statement specified in subsection (1), notify the employees that, as a condition of working on the commodities or contractual services that are under Bid, the employees will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation of Chapter 893 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.
- 5) Impose a sanction on, or require the satisfactory participation in a drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is so convicted.
- 6) Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

As the person authorized to sign the statement, I certify that this firm complies fully with the above requirements.

**Certification Regarding Debarment, Suspension, Ineligibility and
Voluntary Exclusion - Lower Tier Covered Transactions**

This certification is required by the Department of Education regulations implementing Executive Order 12549, Debarment and Suspension, 34 CFR Part 85, for all lower tier transactions meeting the threshold and tier requirements stated at Section 85.110.

Instructions for Certification

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to whom this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms “covered transaction,” “debarred,” “suspended,” “ineligible,” “lower tier covered transaction,” “participant,” “person,” “primary covered transaction,” “principal,” “proposal,” and “voluntarily excluded,” as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.
5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled “Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion-Lower Tier Covered Transactions,” without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

Certification

- (1) The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.
- (2) Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.
