- B. **REQUIRED INSURANCE:**
 1. Maintain, keep in full force and effect during the term of this Proposal and any extensions and renewals thereof, and furnish to the District's Purchasing Department good and sufficient evidence of general liability and auto liability insurance in an amount not less than \$1,000,000 with an insurance company rated not lower than "A" by A. Such insurance will not be subject to cancellation, non-renewal, reduction in policy limits or other adverse change in coverage, except with forty-five (45) days prior written notice to the School Board, which notice will be given by U.S. Certified Mail with return receipt requested to the undersigned. In the event that the District wishes to proceed with the purchase of goods and services with an alternate payment source, the Responder and District will negotiate any changes.

4. During the performance of this Agreement, no allowances will be made for price increases, even if as a result of tariffs or government action or inaction. In the event the price decreases or is found to be a lower cost for the same product or similar services, the District will receive price-matching to the lower cost. Failure of the Responder to allow this may result in a material breach, subject to the provisions as stated in Section II (General Terms and Conditions), Letter R (Performance/Remedies).
5. The District will not be liable for any costs not included in the Proposal and subsequent contracted-for-costs.
6. Pricing will not be given consideration until all proposals are determined eligible based on the items in Section IV (Evaluation and Award), Letter C (Proposal Format and Evaluation Criteria), Number 2, Numerals "i" and "ii". 7. Pricing must be submitted in a separate envelope with the Responder's proposal, clearly labeled with: (1) the Form 470 Title, (2) Form 470 Application Number, and (3) the word "Pricing".

R. S. MISCELLANEOUS:

1. Any proposal may be withdrawn until the date and time set for the opening of the Proposal. Any proposal not so withdrawn will constitute an irrevocable offer to provide the District the services/products set forth in this Proposal.
2. The District reserves the right to use other existing contracts when determined to be in their best

interest. The District also reserves the right to bid separately any item(s) or service(s) covered under this Proposal if deemed to be in the best interest of the District at any time during the term of this Agreement.

Responder(s) must be a certified E-rate provider, shall have a "Service Provider Information Number" (SPIN) from the Schools and Libraries Division of the USAC, and be responsible for complying with all rules and regulations of the E-rate program. This certification must be maintained throughout the term of the Agreement. Evidence of Responder's certification and annual re-certification by the Federal Communication Commission/Schools and Library Division ("FCC/SLD") must be provided as part of the submitted proposal. Failure of Responder to maintain this certification or have certification revoked by FCC/SLD shall constitute a breach of contract. Further, Responder shall reimburse the District for the full amount of any and all invoices resulting from the services provided by Responder under the pending or current contract that is not reimbursed by the FCC/SLD because of Responder's lack of certification, failure to re-certify or revocation of certification, as required by the FCC/SLD.

6. The Agreement may not be amended or supplemented in any way except in writing, dated and signed by authorized representatives of both parties.
7. The headings used herein are for reference and convenience only and shall not enter into the interpretation hereof.
8. The Agreement is entered into solely between, and may be enforced only by, the District and the Contractor, and the Agreement shall not be deemed to create any rights in third parties, including suppliers and customers of a party, or employees of either party, or to create any obligations of a party to any such third parties.
9. All media releases, public announcements, and public disclosures by either party relating to the Agreement or the subject matter of the Agreement, including promotional or marketing material, shall be coordinated with and approved by the other party prior to release.
10. If any date of significance hereunder falls upon a Saturday, Sunday, or Federal holiday, such date shall be deemed moved forward to the next day which is not a Saturday, Sunday or Federal holiday. Saturdays, Sundays and Federal holidays shall not be considered business or working days.
11. By returning a signed and completed proposal, the Responder attests that there has been no collusion with any other Responder. In addition, there has been no divulging, discussion, or comparison of this proposal during the preparation or submission of this proposal in order to gain an unfair advantage in the award if this proposal.

IV. EVALUATION AND AWARD Points will be awarded based on the responses in each proposal received. Lack of a response for any item may receive (0) zero points for that item. All attachments must be clearly marked and reference the appropriate item. Additional information may be submitted by the Responder, however, the evaluation committee will be solely responsible for determining the weight if any such information will be assigned.

A. **PROPOSAL EVALUATION PROCESS:**

1. Proposals are received and publicly opened. Only names of Responders are read at this time.
2. An Evaluation Committee will convene, review and evaluate all proposals submitted based on the factors set forth in the Proposal. Purchasing personnel will participate in an administrative and advisory capacity only. The District reserves the right to waive any irregularities and technicalities.
3. The Evaluation Committee reserves the right to interview any or all Responders and to require a formal presentation with the key people who will administer and be assigned to work on the Proposal before recommendation of award. This interview is to be based upon the written proposal received. The District will not be liable for any costs incurred by the Responder in connection with such interviews (i.e., travel, accommodations, etc.). The District also has the right to require Responders to submit additional evidence of qualifications or any other information the District may deem necessary. Such information will not materially change the original proposal response nor serve to allow the addition of new information that was not originally expressed or referenced.
4. All Proposals will be evaluated in accordance with the evaluation criteria specified in this document. Information derived by investigation and overall due diligence of District staff will be considered. Based on the proposals received, the District may elect to proceed based on any of the following options, but will not necessarily be limited only to these options: (1) Award to the

best initial proposal without any further discussion or negotiation; (2) Negotiate with the highest ranked Responder; or, (3) Allow the top ranked Responders to make oral presentations.

5. Responders are advised to provide their best offer with the initial proposal because the District reserves the right to award a contract based on initial proposals without further discussion or negotiation.
6. The District reserves the right to negotiate out unacceptable clauses or restrictions incorporated within an otherwise acceptable proposal. In the event that a mutually acceptable Agreement between the District and the selected Responder cannot be successfully negotiated and executed, then the District reserves the right to discontinue negotiations with such Responder and to negotiate and execute a contract with the next-ranked Responder.
7. The District reserves all rights, in its sole discretion, not to issue an award to any Responder, to cancel this Proposal at any time, to reissue this Proposal for any reason, or a combination of any or all of the above. The District will not be liable to any Responder for any costs incurred in connection with this Proposal as a result of any of the above stated actions taken by the District.
8. The Purchasing Department will prepare and submit a recommendation agenda item to the Director of Purchasing or Superintendent of Schools, Escambia County, Florida. If a recommendation is made to the Superintendent, he will then recommend the award to the School Board. The School Board will then approve or reject the recommendation.

B. DISPUTE:

1. Solicitation award recommendations and tabulations will be posted for seventy-two (72) hours in the Purchasing and Business Services Department and on its website. Failure to file a "Notice of Protest" during this seventy-two (72) hour period, or failure to post the bond or other security required by law within the time allowed for filing a bond shall constitute a waiver of proceedings under School Board Rule and Florida Statutes. It is the Contractor's responsibility to insure timely filing and receipt of protest by the Purchasing and Business Services Department.
2. Each party agrees to continue performing its obligations under the Agreement while any dispute is being resolved (except to the extent the issue in dispute precludes performance); provided, however, that any dispute over payment shall not be deemed to preclude performance.
3. Each party agrees that, in its respective dealings with the other party under or in connection with the Agreement, it shall act in good faith. Except where expressly provided as being in the discretion of a party, where agreement, approval, acceptance, consent, or similar action by either party is required under the Agreement, such action shall not be unreasonably delayed or withheld. An approval or consent given by a party under the Agreement shall not relieve the other party from responsibility for complying with the requirements of the Agreement, nor shall it be construed as a waiver of any rights under the Agreement, except as and to the extent otherwise expressly provided in such approval or consent.
4. Any person or company whose substantial interests are directly and adversely affected by the award or intended award of a bid, Proposal, or contract may file a protest in accordance with the procedures set forth herein:

- i. Within ten (10) days, not including Saturdays, Sundays and Federal holidays, of filing the Notice of Protest, the Protester shall file a formal written protest with the Purchasing and Business Services Department. The formal written protest shall state with particularity the facts and law on which the protest is based. At the time of filing the formal written protest, the Protester shall post a Protest Bond to defray the costs incurred by the Board in considering the protest. The Bond, payable to the Board, shall be in the amount equal to five percent (5%) of the estimated amount of the contract or ten thousand dollars (\$10,000.00), whichever is greater, not to exceed twenty-five thousand dollars (\$25,000.00).
 - 1) The Protest Bond shall be in the form of a surety bond, cash, or certified funds, and shall be conditioned upon payment of all costs and charges which may be incurred by the Board in considering the protest if the Board prevails. In the event the Protest is withdrawn prior to a formal hearing or the Protester prevails as determined by the findings of an independent Hearing Officer, the Bond will be refunded to the Protester.
 - 2) Failure to file the Notice of Protest, formal written protest, and/or Protest Bond within the time permitted shall constitute a waiver of proceedings under Board Rules and Florida Statutes. The Protester has the responsibility to insure timely filing of the Notice of Protest, formal written protest and/or Protest Bond and receipt of same by the Purchasing and Business Services Office.
5. Communications shall continue between the Protester and the Purchasing and Business Services Department and/or their legal counsel for seven (7) days, not including Saturdays, Sundays and Federal holidays from filing the formal written protest in an effort to mutually resolve the protest. The parties may mutually extend the seven (7) workday time period. If the subject of a protest is not resolved by mutual agreement within seven (7) days, excluding Saturdays, Sundays, and Federal holidays, after receipt of the formal written protest, the Board shall refer the protest to the Florida Division of Administrative Hearings (DOAH).
6. For the entirety of the Protest procedures, all terms and conditions of the Proposal still apply. All communication from the Protester shall be directed to the Purchasing and Business Services Department and/or their legal counsel. Communication in references to this Proposal between the Protester, District Board, and District employees outside Purchasing and Business Services Department is prohibited. Refer to Section III (Special Conditions), Paragraph C (Communication).
7. The DOAH will assign an Administrative Law Judge (ALJ) to serve as an impartial Hearing Officer. A date, time and location will be set for an administrative hearing within thirty (30) days.
8. The parties shall arrange to have all witnesses and evidence present at the time and place of hearing. Subpoenas will be issued by the ALJ upon request of the parties. All parties have the right to present oral argument and to cross-examine opposing witnesses. All parties have the right to be represented by counsel or other qualified representative, in accordance with Florida Administrative Code Rule 28-106.106. Failure to appear at this hearing may be grounds for closure of the file without further proceedings.

9. The ALJ shall render his findings of fact and ruling of law. Each party shall be allowed ten (10) days in which to submit written exceptions to the recommended order. A final order shall be submitted within thirty (30) days of the entry of the recommended order to the School Board to be adopted for resolution and disposition of the protest.

- i. If the Protester prevails, the Board shall return the Protest Bond to the Protester.
- ii. If the Board prevails, the Protester will submit payment for all costs and charges, such as ALJ and court reporter fees. Each party will be responsible for their own attorney fees regardless of the findings of the ALJ. Upon settlement of all cost and charges, the Protest Bond will be returned to the Protester.

C. PROPOSAL FORMAT AND EVALUATION CRITERIA: Proposals not conforming to the instructions provided herein may be subject to disqualification, at the sole option of the District. The legal name, address, Responders' contact person, and telephone number should also be clearly annotated on the outside of the package. Once accepted, all original proposals and any copies become the sole property of the District and may be retained by the District or disposed of in any manner the District deems appropriate.

Pricing will not be given consideration until all proposals are determined eligible based on the items in Section IV (Evaluation and Award), Letter C (Proposal Format and Evaluation Criteria), Number 2, Numerals “i” and “ii”. Further, Section IV (Evaluation and Award), Letter C (Proposal Format and Evaluation Criteria), Number 2, Numeral “iii” (Contents), Numbers 2,3, and 4 will be evaluated prior to giving consideration to price.

to better evaluate/compare your company's capabilities with our needs. Responses shall be organized as described herein and contain the information. Responders are encouraged to provide tab separations for each item. At the District sole discretion, proposals received which do not contain ALL items listed in this section may be considered non-responsive.

2. Each Proposal should include the following:

i. Title Page: Indicating the Form 470 Title, the 470 Application Number, and showing the name and address of the firm as well as the contact person for the firm with his or her phone number and email address.

- a) All pages of this Proposal document (pages 1-27).
- b) A signed "Drug Free Workplace" form (Attachment E). At minimum, an unsigned form must be returned as part of the entire Proposal documentation. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.
5. The prospective lower tier participant agrees by submitting this form that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective lower tier participant further agrees by submitting this form that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
