**A. GENERAL:** Upon award, the terms and conditions of this Solicitation or any portion thereof, may, upon mutual agreement of the parties be extended for an additional term(s) or for additional quantities (all original terms and conditions will remain in effect). The public opening will acknowledge receipt of the proposals only; details concerning pricing or the offering will not be announced. All proposals submitted shall become public record upon an announcement of a recommended award or thirty (30) days after the opening date whichever occurs first. To protect any confidential information contained in their proposal, companies must invoke the exemptions to disclosure provided by law in response to the RFP, and must identify the data and other material to be protected, and must state the reasons why such exclusion from public disclosure is necessary.
- C. WARRANTY:** All goods and services furnished by the Responder(s), relating to and pursuant to this Solicitation will be warranted to meet or exceed the Specifications contained herein. - I. STOP WORK ORDER:** The District may, at any time by written notice to the Responder, stop all or any part of the work for this Solicitation award. Upon receiving such notice, the Responder(s) will take all reasonable steps to minimize additional costs during the period of work stoppage. In which event of termination for convenience, the District's sole obligations will be to reimburse Responder for (1) those goods or services actually shipped/performed and accepted up to the date of termination, and (2) costs incurred by Responder for unfinished goods, which are specifically manufactured for the District and which are not standard products of the Responder, as of the date of termination, and a reasonable profit thereon. In no event is the District responsible for loss of anticipated profit nor will reimbursement exceed the Solicitation value.

- Q. DRUG-FREE WORKPLACE:** Whenever two (2) or more proposals are equal with respect to price, quality, and service, a proposal received from a business that certifies that it has implemented a drug-free workplace program as defined by Section 287.087 Florida Statutes, will be given preference in the award process.
- R. PERFORMANCE:** In an effort to reduce the cost of doing business with the District, and unless indicated elsewhere, no bid or performance bond is required. However, upon award and subsequent default by Responder, the District reserves the right to pursue any or all of the following remedies: (1) to accept the next lowest available proposal price or to purchase materials or services on the open market, and to charge the original awardees for the difference in cost via a deduction to any outstanding or future obligations; (2) the Responder in default will be prohibited from activity for a period of time determined by the severity of the default, but not exceeding two (2) years; (3) any other remedy available to the District in tort or law.
- S. AUDIT AND INSPECTION:** The District or its representative reserves the right to inspect and/or audit all the Responder's documents and records as they pertain to the products and services delivered under this Agreement. Such rights will be exercised with notice to the Responder(s) to determine compliance with and performance of the terms, conditions and specifications on all matters, rights and duties, and obligations established by this Agreement. Documents/records in any form shall be open to the District's representative and may include but are not limited to all correspondence, ordering, payment, inspection and receiving records, and contracts or subcontracts that directly or indirectly pertain to the transactions between the District and the Responder.
- T. SAMPLES AND BRAND NAMES: BRAND NAMES.** Specifications referencing specific brand names and models are used to reflect the kind and type of quality in materials and workmanship, and the corresponding level of performance the District expects to receive as a minimum. Responders offering equivalents or superior products to the brand/model referenced will: (1) reference in their proposal the manufacturer's name, brand name, model and/or part number; (2) next to the price, indicate "ALT" to reflect an alternate offering; (3) will enclose sufficient technical specification sheets and literature to enable the District to reach a preliminary evaluation when no sample is provided with the proposal; (4) agree to any request by the District for submission of a sample or to provide its product on-trial or demonstration, whichever the District may deem appropriate, at no charge to the District. The District reserves the right to determine the acceptability of any alternatives offered. **SAMPLES.** Any sample requested by this proposal or to be provided at the Responder's option, should be forwarded under separate cover to the attention of the Purchasing Office of the District. The package or envelope will reference the Form 470 Proposal Acknowledgement number, Solicitation Title, and Solicitation Item Number and clearly marked "Samples". All samples will be provided free of charge, including transportation charges. Responders are responsible for notifying and making arrangements for pick up from the District if a return of samples is expected. All samples unclaimed for thirty (30) days will be disposed of at the discretion of the District.
- U. EVALUATION CRITERIA:** Primary factors used to decide the award hereunder will be price, quality, availability, vendor experience, references, and responsiveness. Other factors that may be used in the evaluation of proposals received will be: (1) administrative costs incurred by the District in association with the discharge of any subsequent award; (2) alternative payment terms; (3) Responder's past performance. The District reserves the right to evaluate by lot, by partial lot, or by item, and to accept or reject any proposal in its entirety or in part, and to waive minor irregularities if the proposal is otherwise valid. In the event of a price extension error, the unit price will be accepted as correct. The District has sole discretion in determining testing and evaluation methods. The District may consider in conjunction to any award hereunder, those products, services and prices available to them through contracts from state, federal, and local government agencies or other school districts within the State of Florida.
- V. CLARIFICATIONS AND INTERPRETATIONS:** The District reserves the right to allow for clarification of questionable entries, and for the Responder to withdraw items with obvious mistakes. Any questions concerning terms, conditions or specifications will be directed to the designated Purchasing Agent referenced on page 1. Any ambiguities or inconsistencies shall be

brought to the attention of the designated Purchasing Agent, in writing, no later than **Tuesday, January 11, 2022 at 5:00 p.m., CST**. Failure to do so, on the part of the Responder, will constitute an acceptance by the Responder of the consequent decision. An addendum to the Solicitation shall be issued and posted for those interpretations that may affect the eventual outcome of this solicitation. It is the Responder's responsibility to assure the receipt of all addendum issued. No person is authorized to give oral interpretations of, or make oral changes to the Solicitation. Any such contact will be cause for rejection of your Proposal.
- Y. PROPOSAL PREPARATION COSTS:** Neither the District nor its representatives shall be liable for any expenses incurred in connection with the preparation of a response to this Solicitation.

  5. During the course of the Agreement, should the District encounter performance issues in the vendor's execution of their Proposal, the District will begin documenting information concerning those instances. After three (3) instances are recorded within the Agreement Term, a meeting will occur involving a representative from the Responder in question, the Purchasing Department, and the Information Technology Department to address. If performance does not improve in accordance with the established benchmarks from the joint meeting, the District reserves the right to terminate the Agreement. Should an instance be of such severity that the District has reasonable concern for the safety or viability of the operational ability, then the District reserves the right to request an immediate meeting to address the issue without waiting for three (3) documented records.

The vendor will bear the cost of acquiring the background screening required by Section 1012.32, F.S., and any fee imposed by the Florida Department of Law Enforcement to maintain the fingerprints provided with respect to vendor and its employees. The vendor will follow the procedures for obtaining employee background screening as outlined on the Escambia County School District Website: <http://ecsd-fl.schoolloop.com>. The parties agree that in the event that vendor fails to perform any of the duties described in this paragraph, this will constitute a material breach of the contract entitling school to terminate immediately with no further responsibility to make payment or perform any other duties under this contract. The Responder shall obtain from third parties, including State and local governments, all licenses and permissions necessary for the performance of the work. Lack of knowledge by the successful Responder will in no way be a cause for relief from responsibility. The Responder warrants that it is a duly formed business entity organized and existing in good standing under the laws of the State of its formation and is entitled and shall remain licensed to carry on its business as required by the State of Florida.

**H. GOVERNING LAWS:** This Agreement is to be governed and construed in accordance with the laws of the State of Florida. The parties agree that jurisdiction for the resolution of any legal issues arising out of this contract shall be solely with the Circuit Courts of Escambia County, Florida. The parties hereby waive venue in any other forum.

Proposals received as a result of this Solicitation will not become public record until ten (10) days after the date of opening or until posting of a recommendation for award, whichever occurs first. No action on the part of the Responder(s) would create an obligation of confidentiality on the part of the District, including but not limited to, making a reference in the proposal to the trade secret statutes, Florida Statutes 812.081, 815.045. It is recommended that potential Responders exclude from their response any information that, in their judgment, may be considered a trade secret.

**I. INDEMNIFICATION:** Nothing set forth in any provision of an Agreement shall mean or be construed that the District has waived, altered, or amended in any manner whatsoever the limitations or provisions of Section 768.28, Florida Statutes, regarding the District's sovereign immunity.

The Contractor shall indemnify the Board and to the fullest extent permitted by law, protect, defend, indemnify, and hold harmless the Board, its agents, officers, elected officials, employees and volunteers from and against all claims, actions, liabilities, losses (including economic losses), and costs arising out of any actual or alleged:

Further, except as specifically provided herein, the School Board does not waive any defense of sovereign immunity. It is further understood and agreed by the parties to this agreement that no officer or employee may be held personally liable except as provided by 768.28(9), Florida Statute.

**J. EXAMINATION OF RECORDS:** The Responder agrees that the District, the Comptroller General of the United States of America and/or the Inspector General of the Federal Sponsoring Agency, and the Auditor General of the State of Florida or their duly authorized representatives shall have access to, and the right to examine, any directly pertinent books, papers, and records of the Responder involving transactions related to this Agreement until the expiration of ten (10) years after final payment under this agreement or if an audit has been initiated and audit findings have not been resolved at the end of ten (10) years, the records shall be retained until resolution of the audit findings.
