FEDERAL IMPACT AID SURVEY

COMPLETE ONLINE VIA FOCUS PARENT PORTAL
10/28 TO 11/11

★ WHAT

Help your school secure critical funding by completing the Federal Impact Aid survey. We are asking ALL families to complete the brief survey by signing into FOCUS and completing the quick Federal Impact Aid survey.

★ WHY

Federal Impact Aid funds directly impact your children's education by providing funding to replace the loss of county property tax revenue. This revenue is used for everyday expenses: equipment, teachers, special education programming, and building improvements, as part of the district's general budget.

★ AFTER

Starting on November 12th, paper surveys will be handed out to students who do not have a completed Federal Impact Aid survey.
