Coach's Corner

Welcome Back! I hope everyone had a fun and safe holiday season! As we begin the second semester, I wanted to remind everyone that per the superintendent, tennis shoes are necessary in order to participate in physical education and recess activities. Also, I wanted to emphasize the importance of your child knowing how to tie their own shoes if they wear shoes with laces. Having shoes as they come to P.E. shows that students are prepared for class and we do not waste any time having to get shoes tied. If your student struggles with tying their own shoes, please take the time out to help them learn and practice! I look forward to a great second semester!

The student's parent/guardian shall be notified, and a meeting will be scheduled to identify potential remedies. This policy applies to absences from individual class periods, as well as to absences from the entire school day. 1003.26, F.S.
