Coach's Corner

Children need **one hour** or more of **physical activity** every day to help them stay healthy. Children raised in families with active lifestyles are more likely to remain active as adults than children raised in families with sedentary lifestyles. Being physically active also helps with academic performance, makes you smarter, decreases stress, improves sleep, and increases energy! So, make sure to go out and play!

READY-SET-PLAY!!

GUIDANCE CORNER

**"If you have the courage to begin,
you have the courage to succeed."**

Courage to try something new means being brave enough to step out of your comfort zone. For example, a student might feel nervous about joining a new club or trying a different sport, but they decide to give it a go anyway. Even if it feels scary, they take that first step because they want to learn and have fun. That's what makes it **courageous!** Brave and courageous are similar but not the same; bravery is the ability to act without fear, while courage is the conscious strength to act despite feeling fear. Courage involves facing a worthy purpose and making a deliberate choice to move forward despite fear and potential consequences.

Have the courage to try something new!

Tardy Reminder

~ Gates close at the 7:08 bell to allow students to be in class by 7:10 (tardy bell).

~ After the 7:08 bell, parents must park and walk their child to the office to sign in tardy. Students may not enter from any gate after 7:08.

~ Please allow extra commute time on rainy days to ensure getting to school on time.

~ Excessive tardies impedes learning- it's important to start each day on time.

~ Tardy students miss important instruction time and miss tests.

Breakfast is served from 6:45-7:08.

Students must be at school early enough to get to their class for their breakfast card and in line before the bell at 7:08.

Please help your child learn his/her 6-digit student number so they can go directly to get breakfast.

**Spirit Day for Scenic Heights on
September 17th.**

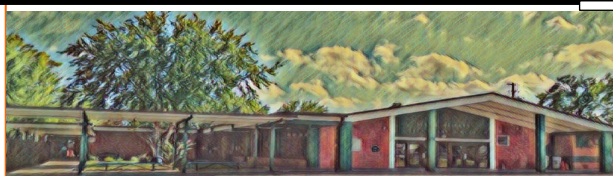

A portion of sales will be donated to our school.
Sounds like a great night for dinner out as a family or take-out.

Thank you for supporting our local business partners who give back to students.

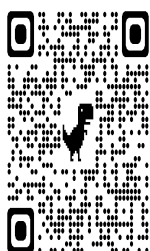

**School success starts
with attendance**

Research shows that attendance is
the single
most important factor in school
success.
