## **The Military and Family Life Counseling Program helps military families and children navigate challenges with free face-to-face support.**

Child and youth behavioral military and family life counselors, or CYB-MFLCs, provide confidential counseling services to children and youth up to age 18 in groups and individually. They also offer support to families, staff and support personnel. Working with a counselor can help improve behavior, performance in school and relationships.

### **CYB-MFLCs are master's or doctorate-level licensed counselors who may:**

- Provide consultation support to parents and caregivers, child care providers, teachers and administrators on the healthy development of children and youth
- Model evidence-based intervention approaches
- Assist educators with strategies for cultivating a deeper understanding of the factors that shape social-emotional development
- Conduct classroom observations

Services are private and confidential except in situations that involve domestic violence, child abuse, sexual assault or otherwise necessitate a duty to warn.

## **CYB-MFLCs provide support on topics including, but not limited to:**

- Feelings identification
- Bullying
- Self-esteem
- Separation from parents
- Problem solving
- Sibling and parent relationships
- Time management
- Deployment and reunification
- Divorce
