August 06, 2022

Dear Parent/Guardian:

In an effort to improve safety for our children, the school district will begin implementing random searches of secondary students and student lockers when the 2022-2023 school year begins. The random wand metal detector searches will be conducted quickly and in such a way that instructional time will not be interrupted. The searches will detect the possession of weapons, deter bringing weapons onto school grounds and reduce the potential for violent incidents.

If you or your child has any questions, please refer to the Rights and Responsibilities Handbook which can be found on the student's device and the Escambia County School District website or please contact Ms. Palasciano at 492-6136.

Thank you,

Tara Palasciano
