The School District of Escambia County does not discriminate on the basis of race, color, religion, sex, age, national origin, disability, genetic information, marital status or participation in designed youth groups in its employment practices or in the admission and treatment of students.

# School-Age Child Care

## MESSAGE TO PARENTS

The childcare programs for school-age youth provide adult supervision and age-appropriate activities in the hours before and after school. Programs that are sensitive to the needs of employed parents also provide care during times that school is not in session, such as school holidays and vacations. There are many programs in Escambia County that offer childcare for school-age children. Here's a list of resources available to you:

Workforce Education, School-Age Child Care Administrator
