Rating: ⭐⭐⭐	**Rating:** ⭐⭐	**Rating** ⭐
Benefit: Allows parents to see Homepages, Announcements, Modules, Calendars, Assignments, and Teacher Feedback. It gives the parent the fullest experience with Canvas.	**Benefit:** The student APP, instead of the Parent App, gives parents full access to the Canvas courses while using a tablet or phone. The Parent App only gives the parent limited access to Canvas courses.	**Benefit:** The Parent App gives the parent a streamlined view of Canvas keeping to a minimal mobile profile. Parents can see assignments and set notifications of due dates and grade settings but cannot see modules and class resources.
