Final Exams and Second Semester Testing Information for Students

Final Exam Reminders for Students

As we wrap up the school year, it's time to start preparing for final exams. Please take note of the following important information:

- **Final exams cannot be taken early.** Make sure you are present during your scheduled exam days.
- **Use your study guides and ask questions.** Your teachers will provide what you need to prepare—take advantage of it and stay focused!
- **Check the schedule carefully.** This document includes the final exam dates for both seniors and underclassmen.
- **If you're absent during an exam,** your teacher will complete a form and your grade will be marked as “Incomplete” until you make up the exam.
- Please ensure you have a **charged chromebook** there will be no spares available for exam days.

Let's finish strong! If you have any questions about your exams contact your classroom teacher.

We're proud of your hard work this year—now let's celebrate your success!
