CORE VALUE: HELPFUL

EARNING BUGS

As part of our PBIS program at Pleasant Grove Elementary, students earn "BUGS" for meeting school expectations. Students are able to use these BUGS at our school PBIS store, which will begin traveling to classrooms later this month. These BUGS also are used at the end of the year as part of our Roadrunner Raffle, where students can earn lots of great prizes! Please ask your child about their BUGS and encourage them to earn more by following our school expectations!
