

School Letterhead

Date:

Dear Parent:

Your child has signed up for an art class this semester. All materials needed for the basic program are provided by the school through funds provided by the District. However, in an effort to provide a more intensive hands-on experience for your child, we will be doing special projects. Therefore, I am asking for contributions to purchase additional supplies. Please make checks payable to _____ School. If for any reason you are unable to contribute, your child will still be allowed to participate in the class.

Thank your for your continued support.

Sincerely,

Art Teacher
