

2024-2025 NHS Water Bottle Policy

- Student water containers **MUST** be **CLEAR** or see-through and **ONLY** contain water. **(No colors or tints.)**
- Water containers may **NOT** have or include straws.
- Gatorade, Powerade, and other bottled drinks may be brought for lunch only but must remain unopened until lunch and must be thrown away at the end of lunch. Opened containers other than clear water bottles are not allowed at any other time on school campus.

Examples of Non-Compliant Water Bottles

Examples of Allowed Water Bottles

*Water bottles that do not meet the criteria mentioned above will be confiscated and held at the front office for parents to pickup.

*Water bottles found to contain any liquid other than water will be confiscated. If it can be determined that the liquid inside is not dangerous or illegal, then the water bottle may be emptied, rinsed out and refilled with water.

*Open container drinks such as sodas, teas, energy drinks, coffees, etc. will be confiscated and thrown away in the trash.
