Parents/Students/Teachers

In an effort to promote student success and high academic achievement for all, the Escambia County School District has asked each school to establish a fair and equitable makeup work policy. This policy applies to unexcused absences, unexcused tardies, and out-of-school suspensions.

Students/parents/guardians must request the student's missed work while the student is out or immediately upon return.

The teacher will discuss the time-line for the due date with the student.

Days allowable for makeup shall not exceed the number of days that the student was out.

Students will be allowed to earn full credit for missed tests and quizzes.

Students will only be allowed to earn up to 60% credit for missed homework and class work.

This policy was introduced during grade-level assemblies during the first week of school and has been reviewed by each teacher as part of their classroom policies. We encourage each student to be present and on time to school each day to avoid any penalization for missed class/homework.

Respectfully yours,

The NHS Homework-Makeup Work Committee
