September 17, 2025

Dear Parent/Guardian:

The safety of our children is a top priority for Ransom Middle School. All middle and high schools will continue random screenings of students for the 2025-2026 school year. Random screenings will be conducted quickly and in such a way that instructional time is minimally interrupted. Screenings will detect weapons, vaping devices, and other items that are prohibited on campus.

In addition to screenings, drug and weapon detection K-9's from the Escambia County Sheriff's Office and Pensacola Police Department will be on all campuses throughout the school year and at extracurricular activities.

If you or your child has any questions, please refer to the Rights and Responsibilities Handbook which can be found on the student's device and the Escambia County School District website or contact Assistant Principal Lipnicky or myself at 850-937-2220.

Thank you,

Dr. Alphonse Marsh
