	Brag tag and homework pass	50
	Brag tag and book	75
	AR water bottle	100
	Recognition on CPTV and trophy	150

**What is AR?**

The Accelerated Reader (A.R.) program is a computerized program that tests reading comprehension. Students select books on their reading level and take an independent comprehension test on the computer. Each book is worth a certain number of points based on its length and reading level. Students get a percentage of these points based on how many of the test questions they get right. The program tracks their progress over the course of the school year.

**Who provides the prizes?**

Through our school's P.T.A., students receive awards that are distributed based on AR points earned.

**When do I get my prizes?** Points will be tallied periodically throughout the school year and prizes distributed after each review of points.

**How do I get my prizes?** Prizes will be delivered to the student's classroom and distributed by the classroom teacher at their convenience.

Prizes are subject to change based on budget and availability.
