I. INTRODUCTION

This solicitation covers requirements for the fresh bread items listed, for the period beginning October 1, 2012 and ending July 31, 2013 for all school cafeterias in the Escambia, Santa Rosa and Okaloosa County, Florida School Districts. The quantities listed herein are the best estimate of the Districts based on prior and projected usage. Each District will make every attempt to adhere as closely as possible to the estimated quantities. However, each District reserves the right to adjust quantities purchased at the bid price during the bid period.

It is intended that the award of this contract, for all three Districts, be to one vendor in order to obtain the best possible price and service for all. However, the right is reserved to award by District if doing so is more advantageous to all Districts. If this becomes necessary all items for each District will be awarded to one vendor (no splitting on individual items). It is expected that pricing for all Districts will be the same.

If bidding a brand and/or product OTHER THAN AS SPECIFIED, SAMPLES ARE REQUIRED. **Please make a notation in the comments section if you are sending a sample. If you bid a product that is not preapproved in this RFP, you must send a sample for review. All samples must be received by the District by Friday, July 20, 2012, 11:30 AM, CST. Failure to send a sample and required documentation when bidding an alternate will result in your bid being determined as "non-responsive" for that item.** Samples should be clearly labeled "SAMPLE FOR RFP NUMBER 130303." If you plan to send samples, contact the Escambia County School District Purchasing Office by email mvannostrand@escambia.k12.fl.us or by fax at (850) 469-6271. A form will be sent to you via email or fax. This form must be completed prior to samples being sent. The location to ship the samples will be provided to you with the form.

DRUG FREE WORKPLACE

Preference shall be given to businesses with drug-free workplace programs. Whenever two or more bids, which are equal with respect to price, quality, and service, are received by the State or by any political subdivision for the procurement of commodities or contractual services, a RFP received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process.

Established procedures for processing tie bids will be followed if none of the tied vendors have a drug-free workplace program. In order to have a drug-free workplace program, a business shall:

- 1) Publish a statement notifying employees that the unlawful manufacture distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.
- 2) Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.
- 3) Give each employee engaged in providing the commodities or contractual services that are under the RFP a copy of the statement specified in subsection (1).
- 4) In the statement specified in subsection (1), notify the employees that, as a condition of working on the commodities or contractual services that are under, the employees will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation of Chapter 893 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.
- 5) Impose a sanction on, or require the satisfactory participation in a drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is so convicted.
- 6) Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

As the person authorized to sign the statement, I certify that this firm complies fully with the above requirements.

Instructions for Certification

By signing and submitting this form, the prospective lower tier participant is providing the certification set out on the reverse side in accordance with these instructions.

The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

The terms “covered transaction”, “debarred”, “suspended”, “ineligible”, “lower tier covered transaction”, “participant”, “person”, “primary covered transaction”, “principal”, “proposal”, and “voluntarily excluded” as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
