

Q&A

The following question has been submitted concerning RFP 141802 – Tree Debris Removal. The question (below) received does not indicate a need for a change to the RFP document. The question below is provided verbatim from what was received:

Who will provide the locations of the TDSR or Debris Management sites (DMS)?

The Director of Maintenance or his designee will provide the location(s) of approved Escambia County site(s) to the awarded bidder(s) prior to the disposal of debris.
